

# LIMITED EDITION ARTWORK SIZING CHART

All Acrylics Float off the wall by 25mm, Diamond Polished Bevelled Edges to create a sparkle & show finer detail on the edge. Acrylic Frames make a great alternative to traditional framing if you want a classic contemporary modern look.

The frameless floating effect is timeless and have great applications in home, office or in galleries and art spaces. They are robust and are not prone to breakage in shipping and transport.

All dimensions are given in Inches / Centimetres
